

# Terms and Conditions

**Last Updated:** November 6th, 2024

---

## 1. Introduction

Welcome to AURUS, a decentralized DeFi platform. By accessing the website at <https://aurus.org> or any associated services, applications, or tools (collectively, the "Services"), you agree to be bound by these Terms and Conditions ("Terms"), all applicable laws, and regulations. If you do not agree, you are prohibited from using or accessing the Services.

### Geographical Restriction Disclaimer

You represent that you are NOT:

1. A user from the following countries or regions: Russia, Belarus, Crimea Region, Cuba, Democratic Republic of Congo, Iran, Iraq, North Korea, Sudan, South Sudan, Syria, Yemen, Zimbabwe, Myanmar, the United States of America and its territories (including American Samoa, Guam, Puerto Rico, the Northern Mariana Islands, and the U.S. Virgin Islands).
2. A subject of economic or trade sanctions administered or enforced by any governmental authority or designated on any list of prohibited parties (e.g., the U.S. Office of Foreign Assets Control or the United Nations Security Council).

If you do not meet these criteria, you must leave this website immediately. By continuing to use AURUS, you affirm compliance with all applicable laws and regulations.

---

## 2. Use License

### a. Grant of License

You are granted a limited, non-exclusive, non-transferable license to temporarily download one copy of the materials (information or software) on AURUS's website for personal, non-commercial transitory use. This license does not transfer ownership, and under this license, you may not:

- Modify or copy the materials.

- Use the materials for commercial purposes or public display.
- Attempt to decompile or reverse engineer any software on the website.
- Remove any copyright or proprietary notations.
- Transfer the materials or "mirror" them on another server.

## **b. Termination**

This license terminates automatically upon any violation of these restrictions and may be terminated by AURUS at any time. Upon termination, you must destroy all downloaded materials in your possession.

---

## **3. Website and Service Disclaimer**

### **a. Information Disclaimer**

The information provided on this website is for informational purposes only and does not constitute investment, legal, tax, or professional advice. AURUS disclaims any liability for reliance on such materials and advises users to consult independent professionals before making any decisions.

### **b. Third-Party Services**

The website includes information, products, and services offered by third-party companies building on the AURUS ecosystem. Each product or service may be subject to separate terms and conditions. AURUS does not take responsibility for the content or accuracy of these third-party offerings.

---

## **4. Risk Warnings**

- The performance of tokens referred to on this website may be volatile, with values that can increase or decrease. Users may lose their entire holdings.
- Past performance is not indicative of future results.
- Exchange rates may impact the value of tokens or holdings.
- Applications to invest in tokens must be based solely on relevant official documentation.

Prospective users are urged to review the "Risk Factors" section of relevant materials before engaging with AURUS tokens or Services.

---

## **5. Token Availability and Custody**

AURUS tokens are available through third-party platforms, such as regulated cryptocurrency exchanges and trading platforms. Users may store AURUS tokens in non-custodial wallets, including the Aurus Mobile App, MetaMask, and other compatible wallet solutions.

AURUS itself does not custody or control user tokens. Users are solely responsible for safeguarding their assets, including the security of private keys, seed phrases, and wallet credentials.

By using third-party platforms or non-custodial wallets, you acknowledge that AURUS has no responsibility for the management, functionality, or security of such platforms or wallets.

---

## **6. Liability Exclusion**

Certain documents or materials provided on the website may be prepared by third parties. AURUS is not liable for the content or accuracy of these materials. While efforts are made to ensure accuracy, AURUS does not guarantee or warrant the reliability, relevance, or completeness of any content.

AURUS shall not be liable for any loss, damage, or expense resulting from reliance on its website or Services. This includes, but is not limited to:

- Loss of data, profits, or investments.
  - Inaccessibility due to jurisdictional restrictions or platform outages.
- 

## **7. Modifications to Terms and Services**

AURUS reserves the right to revise these Terms or modify its Services at any time without notice. Continued use of the Services constitutes your agreement to the updated Terms.

---

## **8. Jurisdictional and Professional Investor Restrictions**

AURUS's Services may only be accessible in jurisdictions where they comply with applicable laws and regulations.

1. **Professional Investor Clause (UK-Specific):** Users from the United Kingdom must confirm that they are either classified as "Professional Investors" or high-net-worth individuals to access specific features or information.
  2. **General Jurisdictional Restrictions:** Users are responsible for determining whether they can legally access the Services based on their country of residence. AURUS restricts access from certain jurisdictions to comply with international sanctions.
- 

## 9. AURUS as a Decentralized Platform

AURUS operates as a decentralized DeFi platform. All operations, including the issuance and management of \$AURUS tokens, align with DAO principles, aiming for transparency, community-driven decision-making, and long-term ecosystem sustainability.

---

## 10. Risk and Compliance Acknowledgment

By using AURUS's Services, you acknowledge that:

- You have conducted due diligence regarding the legal status of cryptocurrency in your jurisdiction.
  - You are not conducting, promoting, or facilitating any illegal activity.
  - You understand and accept the inherent risks associated with cryptocurrency use, storage, and trading.
- 

### Important Notices

- This website is not an offer document, solicitation, or investment prospectus.
  - AURUS tokens are not securities, digital currencies, or any other form of financial instrument as defined by applicable laws.
  - No guarantees are provided for the performance, stability, or value of tokens or services.
- 

### Cookies and Data Collection

AURUS uses cookies to improve user experience and website functionality. By accessing the website, you consent to the use of cookies. Adjust your browser settings to manage or block cookies, but note this may affect access to certain Services.
